Sub: 17TH National Conference General Body meeting - Approval for the Election Rules & Regulations & fixing of Date & venue – Reg.

Dear Sir,

I am in receipt of the Minutes of the Meeting held at Kolkata on 22.11.2025 and I acknowledge having received the copy of the Election Rules & Regulations for the 17th National Conference & General Body meeting. I have read the Rules & Regulations and it is well drafted as per the rules in our Council By-laws and practices followed in our earlier General Body Meetings / Elections. However, the same has to be passed and approved in the next GBM by all the delegates and recorded in the Minutes of the Meeting. I do hereby give my consent to accept the same to enable us conduct the GBM at the earliest.

I also request your good selves to conduct the GBM at any of the below mentioned places in order of preference.
